Before Starting a Proposal Review this <u>list of information</u> that

will help new applicants.

Return to Dashboard

Eligibility Questions

Eligibility will be assessed based on the answers you've provided.

Have you received a NASA SBIR/STTR Phase II award initiated from a Phase I, at least from Program Year 2012 or later? This award also needs a completed period of performance by the end of the current award year. *

0	/es	
1000000	No	
10.00		

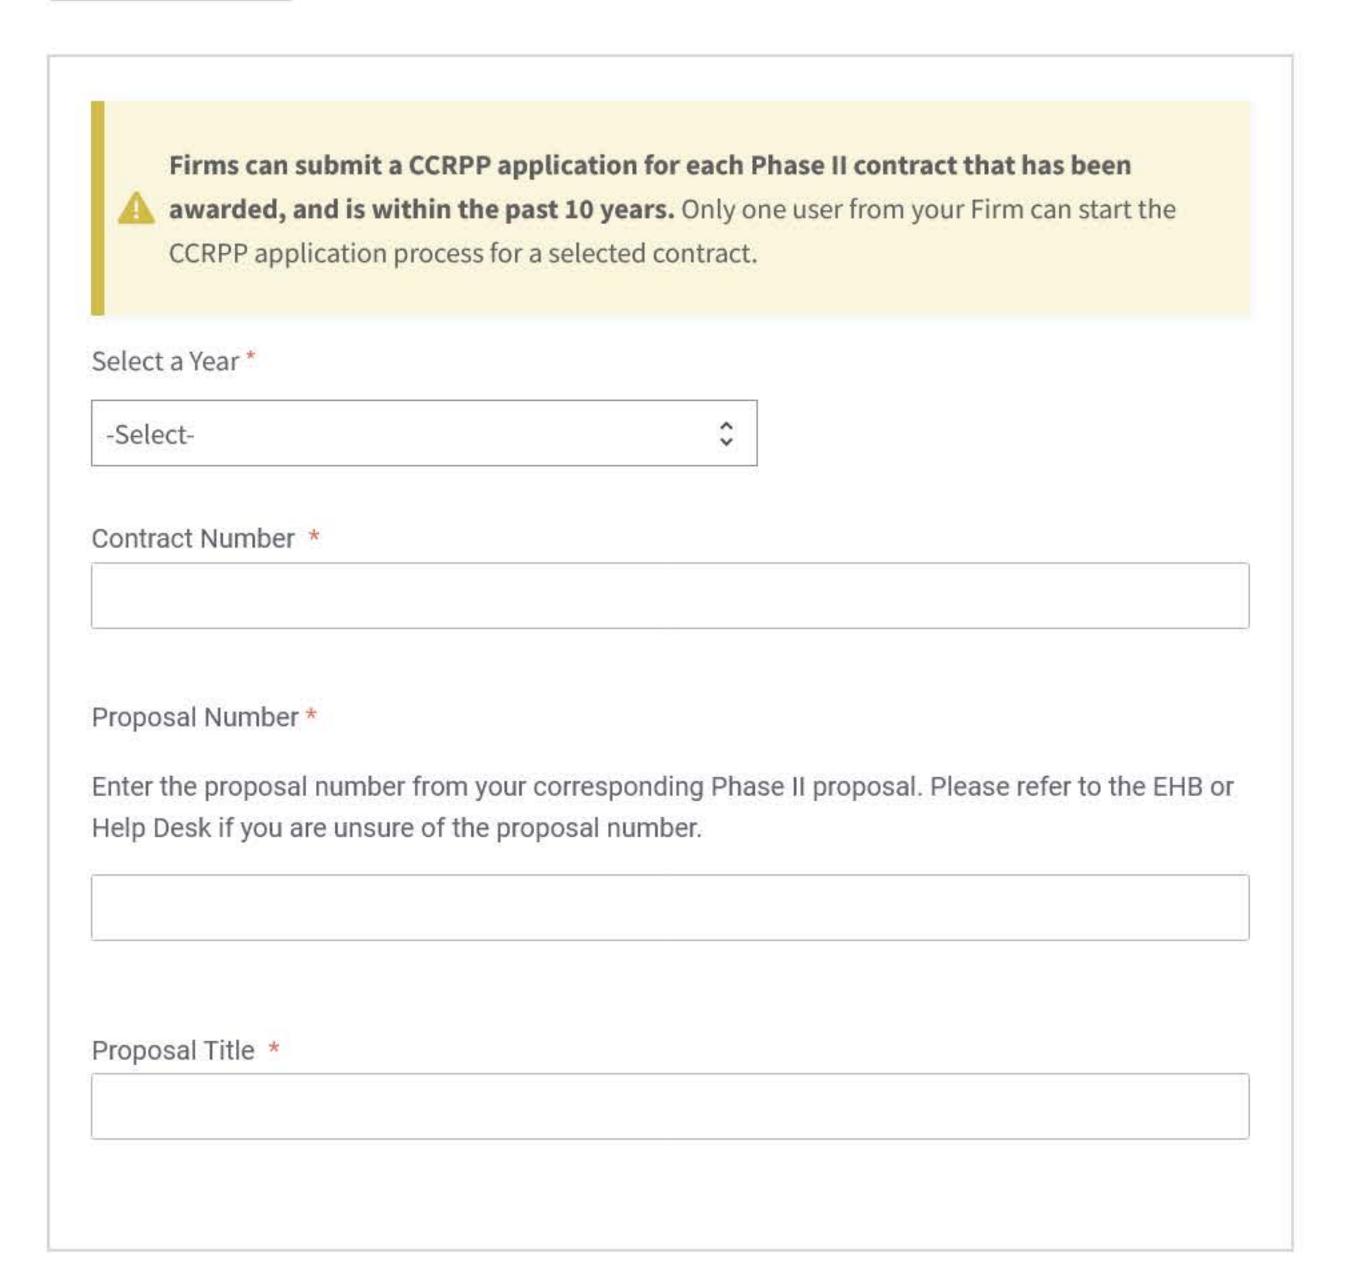

Are you currently engaged in, or have you completed, a NASA SBIR/STTR Sequential Phase II award? *

O Yes	
O No	

Did you exercise a Phase II-E option stemming from a Phase I award initiated in Program Year 2012 or later, irrespective of its period of performance end date? *

Yes	
O No	

Submit

Solicitation Requirements

Go to the NASA SBIR/STTR website to read about firm requirements for participation in NASA's SBIR/STTR solicitations, as well as proposal requirements for this solicitation.

I certify that I have visited the NASA SBIR/STTR website and that I have read and understand the requirements for proposal
submissions to NASA's solicitations.

I represent that I will not submit any data in my completed
proposal package that is restricted by the International Traffic in
Arms Regulations (ITAR) or Export Administration Regulations
(EAR).

Small Business Innovation Research (SBIR) & Small Business Technology Transfer (STTR) Program

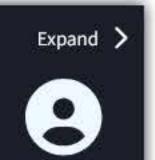

Webmaster | Privacy, Security, Notices | Accessibility

An official website of the United States government Here's how you know > SBIR/STTR ProSAMS **Proposal Certifications** Submissions Solicitation: CCRPP 2024 Firm Name: JE Sample Firm Proposal: A0.00-0000 Sample CCRPP Proposal Return to Dashboard Please read carefully the following certification statements: Completed **Proposal Information** • The Federal Government relies on the information to determine whether the business is eligible for a Small Business Innovation Research (SBIR/STTR) Program award. A similar certification will be used to ensure continued compliance with specific program requirements during the life of the funding agreement. The definitions for the terms used in this certification are set forth in the Small Business Act, SBA regulations (13 C.F.R. Part 121), the SBIR/STTR Policy Directive and also any statutory and regulatory provisions referenced in those Completed authorities. Contacts • If the Funding Agreement Officer believes that the business may not meet certain eligibility requirements at the time of award, they are required to file a size protest with the U.S. Small Business Administration (SBA), who will determine eligibility. At that time, SBA will request **Proposal Certifications** further clarification and supporting documentation in order to assist in the verification of any of the information provided as part of a protest. If the Funding Agreement Officer believes, after award, that the business is not meeting certain funding agreement requirements, the agency may request further clarification and supporting documentation in order to assist in the verification of any of the information provided. **Proposal Summary** • Even if correct information has been included in other materials submitted to the Federal Government, any action taken with respect to this certification does not affect the Government's right to pursue criminal, civil or administrative remedies for incorrect or incomplete Budget information given in the certification. Each person signing this certification may be prosecuted if they have provided false information. **Selected Principal Investigator** Technical Proposal **Atticus Eng** Need to change investigators? Select a new principal investigator from contacts. **Briefing Chart** Endorsement Incomplete The Principal Investigator's tasks cannot be split between two people. Co-PIs are not acceptable. 1. During the performance of the contract, the Principal Investigator will spend more than one half of his/her time as an employee SBC/RI (based on a 40-hour workweek). * O No Incomplete 2. All Essentially Equivalent Work, or a portion of the work, proposed under this project. * Has not been submitted for funding to this agency or another Federal agency. Has been submitted for funding to this Agency or another Federal agency but has not been funded under any other grant, contract, subcontract or other transaction. A portion has been funded by another grant, contract, or subcontract as described in detail in the proposal and approved in writing by the Funding Agreement Officer. I will notify this agency immediately if all or a portion of the work authorized and funded under this award is subsequently funded by another Federal agency. Incomplete On rare occasions, minor deviations from this requirement may be necessary; however, any minor deviation must be approved in writing by the contracting officer after consultation with the agency's SBIR/STTR Program Manager/Business Manager. 3. During the performance of the contract, the SBC will perform at least half (50%) of the applicable percentage of work. * O No Incomplete 4. During performance of the award, the R/R&D will be performed in the United States unless a deviation is approved in writing by the Funding Agreement Officer. * () Yes Incomplete 5. During performance of the award, the R/R&D will be performed at the Awardee's facilities by the Awardee's employees, except as otherwise indicated in the SBIR application and approved in the Funding Agreement. * O Yes O No Incomplete All subtopics listed in this solicitation have Technology Available (TAV) with NASA Intellectual Property. The use of the NASA IP is strictly voluntary. To use NASA IP, you must complete a NASA Research License Application. 6. Do you plan to use NASA IP under the award? * Incomplete As described in section 3 of this solicitation, you must meet the following requirements completely. 7. All parts of the technical proposal are included in part order and the page limitation is met. 8. Do you plan to use subcontractors/consultants? *

Briefing Chart Information

The Briefing Chart is required to assist in the ranking and advocacy of Proposals prior to selection. Please include sufficient detail to assist decision makers in understanding the merit of your proposed technology solution. It must not contain any proprietary data to ITAR restricted data

Identification and Significance of the Innovation

To best assist decision makers in understanding the merit of your proposed technology solution, the following are key points to include:

- Clear statement of "why" the idea is important address the outstanding performance being promised and the degree to which the concept is new and different.
- Honest assessment of the state-of-the-art (SOA) with the key performance parameters (KPP).
- Quantitative assertions (e.g., x% improvement of y, x kg of mass saving, x meters of accuracy, code is x faster or z more accurate,
- Expression of the problem/need in terms common to the decision maker and to a wider audience who may not all be experts in your

Statement *

		//

TRL information will be pre-populated from the Proposal Summary form. Complete this on the Proposal Summary form before endorsing.

Technical Objectives and Proposed Deliverables

Key points to include:

1100 characters allowed

- Main objectives of the work to be done.
- Proposed deliverables to NASA at the end of the contract.

Proposal Information

Your proposal is complete

Endorse and Submit

Please note that you will not be able to access your proposal package once the solicitation has closed - a copy of your submitted proposal package will not be provided to you. Print and retain back-up copies of any forms/documents prior to submitting your proposal package for your records.

Upload Endorsements *

Signatures from both the Business Official and Principal Investigator in this form are required for endorsement of this proposal before final submission can be completed.

Download the form template. Then, upload the signed form below.

Allowed formats: PDF, PNG, or JPG. You can upload a document more than once, but only the most recent version is saved. File names must be unique, duplicate filenames cannot be saved.

Drag file or <u>choose from folder</u>

Maximum file size: 10 MB

I certify that the designated Business Official (BO) and Principal Investigator (PI) endorse this submission. Further, I certify that, to the best of my knowledge, this submission is accurate, complete, and responsive.
