

**NOTIFICATION OF FUTURE EMPLOYMENT DISCUSSIONS OR AGREEMENT AND RECUSAL STATEMENT**

Section 17 of the Stop Trading on Congressional Knowledge Act of 2012 (STOCK Act) requires certain employees to file a statement notifying their agency ethics official of any negotiation for, or agreement of, future employment or compensation with a non-federal entity no later than three business days after commencement of the negotiation or agreement. Public filers also must file a recusal statement whenever there is a conflict of interest or appearance of a conflict of interest with the entity, unless the employee obtains a written waiver. An employee may elect to file a notification and recusal statement before negotiations have commenced and before an agreement of future employment or compensation is reached.
