## 777

### NASA JOBS SUPPORTED

There are 14 NASA federal employees and 462 contractors\* in the state of Indiana.

For every NASA civil servant job located in Indiana, an additional 53\*\* jobs are supported in the state economy. For every million dollars' worth of economic output generated by NASA civil service employees, an additional \$27.6\*\* million worth of output is sustained throughout the state economy.

\*Indirect effects are the purchases of goods and services by government agencies and private sector contractors, as well as by the industries that supply them.

\*\*Multiplier based on IMPLAN Input Output (I-O) model. To learn more, please visit: <https://blog.implan.com/understanding-implan-multipliers>
