NASA JOBS SUPPORTED

There are 56 NASA federal employees and 12,246 contractors* in the state of Kentucky.

For every NASA civil servant job located in Kentucky, an additional 10** jobs are supported in the state economy. For every million dollars' worth of economic output generated by NASA civil service employees, an additional \$4.6** million worth of output is sustained throughout the state economy.

⁽⁹⁾ Indirect effects are the purchases of goods and services by government agencies and private sector contractors, as well as by the industries that supply them.
⁽⁹⁾ Multiplier based on IMPLAN Input Output (I+O) model. To learn more, please visit: https://blog.implan.com/understanding-implan-multipliers
