NASA JOBS SUPPORTED

There are 6 NASA federal employees and 294 contractors* in the state of Nevada.

For every NASA civil servant job located in Nevada, an additional 95** jobs are supported in the state economy. For every million dollars' worth of economic output generated by NASA civil service employees, an additional \$37.9** million worth of output is sustained throughout the state economy.

*Indirect effects are the purchases of goods and services by government agencies and private sector contractors, as well as by the industries that supply them.

**Multiplier based on IMPLAN Input Output (I-O) model. To learn more, please visit: <https://blog.implan.com/understanding-implan-multipliers>

10

Ten Nevada suppliers contributed to NASA's Artemis program. An example of the state's contributions is manufacturing supplies for Exploration Ground Systems (EGS), based at NASA's Kennedy Space Center in Florida.
