OKLAHOMA

NASA JOBS SUPPORTED

There are 13 NASA federal employees and 319 contractors* in the state of Oklahoma.

For every NASA civil servant job located in Oklahoma, an additional 39** jobs are supported in the state economy. For every million dollars' worth of economic output generated by NASA civil service employees, an additional \$17.3** million worth of output is sustained throughout the state economy.

⁽⁹⁾Indirect effects are the purchases of goods and services by government agencies and private sector contractors, as well as by the industries that supply them.
⁽⁹⁾Multiplier based on IMPLAN Input Output (I+O) model. To learn more, please visit: https://blog.implan.com/understanding-implan-multipliers
