#### **NASA JOBS SUPPORTED**

There are 17 NASA federal employees and 91 contractors\* in the state of South Carolina.

For every NASA civil servant job located in South Carolina, an additional 9\*\* jobs are supported in the state economy. For every million dollars' worth of economic output generated by NASA civil service employees, an additional \$4\*\* million worth of output is sustained throughout the state economy.

Indirect effects are the purchases of goods and services by government agencies and private sector contractors, as well as by the industries that supply them.
