NASA JOBS SUPPORTED

There are 11 NASA federal employees and 1,524 contractors* in the state of Utah.

For every NASA civil servant job located in Utah, an additional 207** jobs are supported in the state economy. For every million dollars' worth of economic output generated by NASA civil service employees, an additional $89.4** million worth of output is sustained throughout the state economy.

(*) Indirect effects are the purchases of goods and services by government agencies and private sector contractors, as well as by the industries that supply them.

(**) Multiplier based on IMPLAN Input Output (I-O) model. To learn more, please visit: https://blog.implan.com/understanding-implan-multipliers

National Aeronautics and Space Administration

61

Sixty-one Utah suppliers contributed to NASA's Artemis program.
An example of the state's contributions is supplying the solid rocket boosters for NASA's SLS rocket, the most powerful rocket ever flown.

The sample return capsule from NASA's OSIRIS-REx mission is seen shortly after touching down in the desert, Sunday, Sept. 24, 2023, at the Department of Defense's Utah Test and Training Range. The sample was collected from the asteroid Bennu in October 2020 by NASA's OSIRIS-REx spacecraft.
