

2025 NASA SPACE APPS CHALLENGE REGISTRATION TOOLKIT

On **October 4-5, 2025**, NASA and 14 Space Agency Partners invite scientists, technologists, and storytellers to participate in the **2025 NASA International Space Apps Challenge**. Over the course of two days, teams will develop projects to address challenges using NASA's open data and space-based data from Space Agency Partners.

With this year's theme **Learn, Launch, Lead**:

- Learn skills to succeed in STEM fields
- Launch ideas that transform NASA's open data into actionable tools
- Lead communities in driving technological innovation

The **2025 Space Agency Partners** include the Bahrain Space Agency; Brazilian Space Agency; Canadian Space Agency; European Space Agency; Indian Space Research Organization; Italian Space Agency; Japan Aerospace Exploration Agency; National Space Activities Commission of Argentina; Mohammed Bin Rashid Space Centre of the United Arab Emirates; Paraguayan Space Agency; South African National Space Agency; Spanish Space Agency; Turkish Space Agency; and the UK Space Agency.
