Location Information

Texas A&M RELLIS Campus

Center for Infrastructure Renewal (CIR)

1041 Rellis Pkwy, Bryan, TX

Parking:

Parking at RELLIS is pay by the hour for visitors. Visitor parking may be paid via the [ParkMobile app](#) or at the CIR pay stations in the lot using Zone 7743. Sign up for ParkMobile with your email, license plate and payment method. Once registered you may begin to use ParkMobile immediately to pay by the hour. The app allows you to pay for entire days at a time, with the cost per day being \$15.45. The parking payment zone covers the meeting venue and all tour locations for the tours scheduled for Day 3 of the TIM.

The main meeting venue lot has plenty of parking spaces. However, carpooling is encouraged for visiting some of the tour locations due to limited lot size.

Food:

Day 1 and Day 2 of the TIM include 90 minute breaks for lunch. There will be one or two food trucks at the venue during the lunch period. The RELLIS campus is a 15-20 minute drive from most food options, so if you plan to leave the venue for lunch, please be sure to factor in this driving time. There will be coffee available during the TIM, with light refreshments during the social hour on Day 1.
