OFFICE OF **SMALL BUSINESS PROGRAMS** at **Stennis Space Center**

NASA's Stennis Space Center (SSC) in Stennis, MS, engages small businesses through its Office of Small Business Programs (OSBP). The SSC OSBP is dedicated to providing small enterprises with significant opportunities to participate in NASA's contracts, particularly in areas related to rocket propulsion testing and environmental research. By offering resources, training, and guidance, the office assists small businesses in navigating the procurement process and aligning their innovative capabilities with NASA's needs. This engagement ensures that small businesses contribute to the advancement of aerospace technology and space exploration while fostering economic growth and job creation within the small business sector.

Stennis Space Center (SSC, MS 39529-6000)

CENTER MISSION

Stennis Space Center implements NASA's mission in areas assigned by two Agency Mission Directorates. SSC manages rocket propulsion testing for the Human Exploration and Operations Mission Directorate (HEOMD) and is serving as the Systems Engineering Center, managing assigned applied sciences program activities for the Science Mission Directorate (SMD). Stennis also serves as Federal manager and host agency of a major Government multiagency center.
