

OFFICE OF SMALL BUSINESS PROGRAMS at Goddard Space Flight Center

NASA's Goddard Space Flight Center (GSFC) in Greenbelt, MD, engages small businesses through its Office of Small Business Programs (OSBP). The GSFC OSBP is dedicated to creating opportunities for small enterprises to participate in NASA contracts and projects, particularly in the fields of space science, Earth science, and technology development. By providing resources, training, and guidance, the office helps small businesses navigate the procurement process and contribute their innovative solutions to NASA's missions. This collaboration ensures that small businesses play a crucial role in advancing space exploration, scientific research, and technology development, while also supporting economic growth and job creation.

Goddard Space Flight Center (Greenbelt, MD 20771-0001)

CENTER MISSION

Goddard Space Flight Center has the mission to expand knowledge of Earth and its environment, the solar system, and the universe through observation from space. To ensure that our Nation maintains leadership in this endeavor, we are committed to excellence in scientific investigation, in the development and operation of space systems, and in the advancement of essential technologies. GSFC is also the contracting office for NASA Headquarters (HQ) in Washington, DC. The list of NAICS codes is the combined list of requirements for both GSFC and HQ.
