STANDARD FORM NO. 64

Date: June 11, 1968

Contract No.: NAS 9- 50

CCA No.: 2337

Master Serial No.: 150-4253

North American Rockwell Corp.
Space Division
Downey, California

Gentlemen:

Pursuant to the provisions of the clause of the above numbered contract entitled "CHANGES" and other applicable provisions of said contract, you are hereby directed to proceed with the implementation of the changes specified herein and the preparation of a firm contract change proposal.

The Contractor shall provide stowage for and shall stow in the designated CSM the spacecraft crew equipment listed in Revision D of the CSM 101 Stowage List, dated June 10, 1968. This revision incorporates the information previously released in SLCN's 1C, 2C, and 3C. The attached list supersedes Revision 'C' of the 101 Stowage List, dated March 4, 1968.

The Contractor will attempt to stow the equipment on the stowage list in the locations designated on a nonimpact basis. In the event a modification of the CSM vehicle is required for compliance or the schedule impacted, the NASA/MSC will be notified and the change negotiated.

Except as hereby modified, all terms, covenants and conditions of said contract as heretofore modified or amended shall remain in full force and effect.

IN REPLY REFER TO:

Date: June 4, 1968

Contract No.: NAS 9-150

CCA No.: 2357

Master Serial No.: 150-4189

North American Rockwell Corp.
Space Division
Downey, California

Gentlemen:

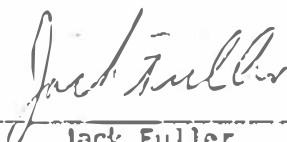

Pursuant to the provisions of the clause of the above numbered contract entitled "CHANGES" and other applicable provisions of said contract, you are hereby directed to proceed with the implementation of the changes specified herein and the preparation of a firm contract change proposal.

The Contractor shall provide stowage for and shall stow in the designated CSM the spacecraft crew equipment listed in the attached Stowage List Change Notices 2C and 3C for CSM 101. This information will update CSM 101 stowage list, revision C, dated March 4, 1968.

The Contractor will attempt to stow the equipment on the stowage list in the locations designated on a nonimpact basis. In the event a modification of the CSM vehicle is required for compliance or the schedule impacted, the NASA-MSC will be notified and the change negotiated.

Except as hereby modified, all terms, covenants, and conditions of said contract as heretofore modified or amended shall remain in full force and effect.
